

Announcement regarding Sr Tournament

Changes to stay in compliance with the USBC Rulebook

The Tournament is certified in both centers under certification number 06905. The scores of all those participating in all-events from both centers will then be compiled together from both certified centers. Under USBC cert # 07085 mail-0 graphic those compiled scores will be used to determine the winners to advance to national Sr tournament in Louisville Ky.

The other change in rules is that the bowlers prize fund will be per center. Millsboro will have a prize fund for those that bowl on the 14th and 15th. Those who bowl at Pleasant Hill will have a prize fund for those that bowl on the 7th and 8th.

Thank You
