3. Division classifications based on average and bowler will bowl three games in each event.
4. Singles average 90% of 230 for handicap.
5. Bowlers for singles can only enter two times. Only the first bowl scores will be used for all events. Late bowlers receive zero (0) for frames missed.
6. Awards 1 in 10 or major fraction thereof. 1<sup>st</sup> place minimum with 2<sup>nd</sup> place being a certificate. All-events will have at least a 1<sup>st</sup> place scratch and handicap in each division (boy or girl). All-events winners can only receive 1 award. Scratch all-events takes precedence over handicap.
7. Scholarships will be given in all-events per division in Scratch and Handicap. This will be divided by the number of entries per division. Additional scholarships will be granted based on donations received per the number of entries per division.
8. Rule 305 requires all award/scholarship fees collected in an event or division of an event to be returned 100 percent to the participants in that event.

12. Errors in handicap or division will be automatically corrected. All errors must be reported within 24 hours. All matters not covered by these rules and regulations shall be determined by the tournament committee and the tournament director who will be the final authority unless an appeal filed under USBC rule 329. The penalty for any infraction is disqualification from the tournament.
13. All-events division placement will be determined by the entering average in the State Singles Tournament. Due to using current average in team tournament, handicap will be adjusted to fit the current average, **but will not change** the division for all events.
